

Dear Photographer:

The **Cleveland Photo Fest** was established in 2019 as an annual event for the benefit of the Greater Clevelanders who support and appreciate photography as a fine art. Our mission is to strengthen the appreciation of photography as a major force in today's visually driven culture. Exhibitions, publications, educational and fellowship programming and community interaction are the core of our active engagement with the Cleveland community. PHOTO FEST exhibitions will take place in September and October of 2019.

We would like to invite you to participate in a fabulous event; the ***First Annual Greater Cleveland Photography Sell and Show Show***. The sale and show will be held at Lakewood's [Good Goat Gallery](#). Please join us on October 5th, 2019, from 10am-4pm, (with a reception immediately following), for a one day, open to the public, over the counter sale of photography. Space is available at \$50 per table. There is no commission on the sale of works for this event.

At the end of the afternoon, each participating photographer will be invited to post four images on the gallery wall, which then become our featured exhibition for the remainder of the month of October (sales on a commission basis).

We invite you to *apply* as a participant. The number of tables are limited due to space. If you are interested in joining us, PLEASE respond to this email. Please send a selection of 5 images that best represent your work (and a brief description of each, as well as indicating if your format is analogue or digital). The deadline for all submissions to be reviewed is August 15th, 2019. If you are selected, you will receive an email regarding payment for your table.
